EXPERIENCE

Founder of www.pknsi.com

June 2020 – Present

- Created and published a WordPress website under the domain name of www.pknsi.com.
- All intellectual content was created by myself including the logo and blog posts.
- Initially created the website on a local LAMP stack with Linux Debian. After the design was complete, migrated to WPX Cloud servers for faster loading times and a better GTMetrix score.

Embr Events Inc. Brand Ambassador, Ottawa, ON

May 2017 – May 2018

- Educated customers of various Muskoka and Beau's products via one-on-one interaction.
- Submitted detailed, accurate reports for inventory, payroll hours, and material used.

Canglow Windows and Doors Inc. Telemarketer, Ottawa, ON

September 2016 – May 2017

- Delivered sales talks, reading from scripts that described products, to persuade potential customers to book an appointment for an estimated cost of window or door replacements.
- Scheduled appointments for sales representatives to meet with prospective customers.

ACTIVITIES AND LEADERSHIP

Robotics Club, Founder, Bronte College of Canada

September 2013 – June 2014
